Josh - Woodchips at tot lot.

Josh - Lighting issues at the monument

Lights were ripped out at the South monument. Getting quote to fix it. Lights will be repaired on North Monument. Weisman is the contractor.

Ellen Henschel - Sidewalks are becoming an issue. With raises and bumps. Homeowners are responsible for repair of the sidewalks. If it's a tree root issue, the county will take care of it.

Josh - Date for "End of the summer block party". September 14 (Backup September 28).

Jeff Stramella- Rec Lot issues. Trees overgrowing onto the basketball court. Any way to extend the asphalt and add another hoop? Can we get the overgrown trees cut back. Look into expanding the basketball hoop situation.

Bob McKeldin - Tree on his property is HOA responsibility. Raising sidewalk. Need to check it out.
